

WINTERJOURNAL 2023/2024
OBERGURGL

Now operating in the third and fourth family generation, we welcome you to our noble establishment.

“ WELCOME TO THE MOST SNOW-SURE WINTER SPORTS DESTINATION IN THE ALPS.”

Dear Guests and Friends of Hochfirst!

The Obergurgl already dons its sparkling white winter robe in late autumn. We welcome our guests from 16 November 2023 onwards, with the aim of making your break from everyday life unforgettable and wonderful. The Hochfirst can look back on a long tradition that has been governed by one and the same credo across generations: to perfect what is already outstanding. We feel blessed that we are able to celebrate our 90th anniversary in the coming winter season.

Today, we can be proud of the numerous awards confirming that the Hochfirst is one of the leading ski hotels in the Alps. As a member of the renowned HIDEAWAYS HOTELS, we belong to a collection of hand-picked hotels all over the world that are managed by their owners with heart and soul, which makes them hotels with personality.

We have already achieved much. However, there's one thing we really can't take the credit for: the Hochfirst's unique and magical location directly at the foot of the impressive mountain scenery. In fact, that's the real luxury we offer: being able to get right onto the ski slopes directly outside the hotel, and right into the fantastic winter landscape that spreads from an altitude of 1,900 metres all the way up to the world of the three-thousanders. Now that's what we call "ski-in and ski-out" at the most snow-sure winter sports destination in the Alps! A paradise for all winter sports fans, as well as the world's best skiers. On 18 November, the ski stars taking part in the Audi FIS Alpine Ski World Cup - Men's Giant Slalom guarantee a top-class sports event.

Stay in an exclusive ambience and let us pamper you; savour Gault Millau toque level culinary delights and feel values that have been upheld for decades whilst enjoying state-of-the-art comfort. Everything is ready for you. Feel yourself increasingly looking forward to your holiday.

We are already looking forward to welcoming you to the Hochfirst again.

*Best regards,
your hosts*
